

Midwest Association of Technical Accident Investigators

Training Opportunity

Course Title: [Advanced Collision Reconstruction with Excel Applications](#)

Presented by: [C. Gregory Russell](#)
Accident Analysis & Reconstruction

Date: October 19-23, 2009

Location: [Holiday Inn, Downtown](#)
141 N 9th Street
Lincoln, Nebraska
402-475-4011

Contact: Greg Gravesen; email greg.gravesen@ci.stpaul.mn.us

Course Outline: In a field as dynamic and fast-paced as accident investigation, even the most seasoned professionals need to brush up on the latest techniques and developments. Laws, investigative tools and automobile construction and features continue to evolve. This course will update the collision reconstructionist with the latest techniques, as well as using Excel worksheets to assist with their analysis.

Cost: MATAI is offering a \$100 scholarship for members who attend this training. The course fee is **\$450 for MATAI members** (\$464 if paying via PayPal) and **\$550 for non-members** (\$567 if paying via PayPal).

Fee includes snacks for both morning and afternoon breaks.

ACTAR CEU: It is expected this course will be awarded 30 ACTAR CEU.

How to Register: Registration and payment can be made online at www.matai.org. **Registration will be limited to 30 students.** Register early to reserve your spot!

The registration form can be printed from the website and mailed to: MATAI Training, PO Box 123, St. Croix Falls, WI 54024. Please make checks payable to MATAI.
